

# SPONSORSHIP

We are a home for abused women and their children, together with single, pregnant women considering placing their babies for adoption.

We at Sisters Incorporated aim to help every women, teenager and child who comes to us in crisis to heal physically, emotionally and spiritually. We offer help and hope regardless of race or religion, offering a 'hand up' and not a 'hand out' ... because we care. We offer accommodation, three meals a day, clothing and toiletries, skills training including computer literacy classes, counselling and lots of love, acceptance, compassion and hope.

Donations from the community assist us to empower the women through skills training, to support them by means of a fulltime childcare facility for their children, and to help them find employment, legal aid and comprehensive medical care.
